QS Student Satisfaction Survey

Tarlac State University is embarking on another quality assurance journey — the prestigious QS Stars Rating.

The QS Stars Rating is a rating system that provides a detailed look at an institution, enabling you to identify which universities are the best in the specific topics that you care about, like program strength, facilities, graduate employability, social responsibility, inclusiveness, and more.

TSU is seeking the participation of its students in filling out the respective survey forms below:

QS Student Satisfaction Survey: <https://bit.ly/3q3TVEN>

Thank you for lending a few minutes of your time in answering the survey forms and journeying with us in another quality assurance process.

NOTE: Survey forms are available until the last week of February.
